LaMill Coffee opens: too spiffy for scruffy Silver Lake?

chandeliers and murals in the red-walled cafe

LaMill's interior designers Scott Mangan and Nick Bianco at [Rubbish Interiors](#) went all out for LaMill Coffee's elegant interior, having custom green croco-vinyl chairs made, recovering vintage sky blue slipper chairs, ordering up a hand-painted French mythological mural. Then there's the one of a kind pounded brass espresso machine from Italy and the marble-walled WCs... It's très Parisien, but it is too much for the scruffy-bearded dog lovers of Silver Lake?
